

# By Chance or Design

## Lesson 4

1. How did the earth begin and what did God create on the first day?

Genesis 1:1-5\_\_\_\_\_

2. What was the earth covered with at first?

Genesis

1:2\_\_\_\_\_

3. Since the first day began with darkness and light was added later, this sets a biblical pattern for each day beginning with the evening. When the daylight was gone, it was the end of that day and the start of a new one. How does the Bible state the beginning and ending of the first day?

Genesis 1:5\_\_\_\_\_

4. The firmament or sky, would equate with what we call our sky and atmosphere today. On what day was it made?

Genesis 1:6-8\_\_\_\_\_

5. What did God place above the firmament?

Genesis 1:6:7\_\_\_\_\_

6. When did dry land appear and what kinds of things were created on that day?

Genesis 1:9-13\_\_\_\_\_

7. What was created on the fourth day?

Genesis 1:14-19\_\_\_\_\_

8. What kinds of creatures were created on the fifth day?

Genesis 1:20-23\_\_\_\_\_

9. What kinds of creatures were created on the sixth day?

Genesis 1:21-31\_\_\_\_\_

10. What day were humans created on?

Genesis 1:25-26\_\_\_\_\_

11. What was man's job in the beginning?

Genesis 1:28 \_\_\_\_\_

12. In whose image was man and woman created?

Genesis 1:27 \_\_\_\_\_

13. What kind of diet did mankind and animals eat in the beginning?

Genesis 1:29-30 \_\_\_\_\_

14. What did God do on the seventh day of the week? What did God say about this day?

Genesis 2:1-3 \_\_\_\_\_

15. How does God value the humans He has created? What does that say about His love for us?

Isaiah 49:15-16 \_\_\_\_\_

16. The Bible describes each day in the weekly cycle at creation as consisting of a single evening and a single morning. There is no mention of long periods of time for each. If the evening or morning portions had been long epochs of time, could any of the vegetation or creatures have survived?

17. The seven day weekly cycle is universal throughout the earth and has been that way for as long as there is recorded history. Is there any place else other than the Bible, where mankind gets the idea of a seven day weekly cycle?

**In the Light of God's Word...**

I understand that the Bible teaches that the earth and everything on earth, including living creatures, were created by God in six literal days, consisting of a single night time and a single day time.

I understand that the Bible teaches that on the seventh day God rested from His work of creation, and that is the only basis on earth for a seven day week. There is no other basis for a seven day week in science.
